«Development of integrated social
services for exposed families and
children»

Elayn Sammon

Kyiv Oblast Health Protection Department expresses its gratitude to Kyiv Oblast for cooperation in prevention of early social orphanage, for its work with families in crisis, for protection of children's rights.

It is planned to conduct joint meeting of Association of midwives, gynecologists, pediatricians, neonatologists on the 31.10.2006 in Kyiv Oblast Mother and Baby Health Protection Center and to discuss issues about cooperation of health protection service and early intervention service, as well as to discuss organization issues in the operation of „Kyiv Oblast Social-Psychological Mother and Baby Unit”.

It is also planned on the 17.11.2006 to conduct in Kyiv Oblast Mother and Baby Health Protection Center a seminar „On inter-agency cooperation of Kyiv Oblast State Administration in prevention of early social orphanage, cooperation with early intervention service and with Kyiv Oblast Social-Psychological Mother and Baby Unit.

We request you to support the implementation of the above-mentioned events and to provide further assistance in organizing the seminars.

Herewith I remain grateful to you for your further cooperation.

Department Deputy Head

N.V.Oleksienko
